Our Fire-Proof Oil is a wonderful Oil. A perfect Lamp Fluids It is without color, odor or smoke, and burns brilliantly in any kind of a lamp, yet out of a lamp it will not burn at all, even if burning torshes are dipped into it. It will only burn with something to act as a wick, and about the house is as harmless as water. We recommend it most cordially, and advise all our friends to use it at their residences.

It is a real luxury, and yelt is economical, because it lasts long enough to balance the apparent difference in cost.
